## Their Entrance

When the brothers first arrived in the morning of 8/6/2022, the 7th weekday, there was a big line of at least 500 people waiting to get in. A security guard picked out the three brothers and told them to enter in by way of fast lane, in which they entered through the back door. The brothers were baffled and happily surprised. This was a sign, indeed, from God, that he has paved the road for them. Here are two pictures of the line.

The brothers were standing behind Bo Hines  
(the Republican nominee for the United States House of Representatives  
in North Carolina's 13th congressional district)

When the conference ended and the brothers were leaving, they asked the security guard why he picked them out. He said that they had Media Passes, and the brothers gave him an evangelization card. Hence when they registered, God saw to it that they got media passes. And this may have made it easier for them to talk to some of the speakers and other prominent men that were at the conference. Here is a picture of Will Norris with Orlando Salazar, a speaker at the conference. The green pass is for Media, the red, which Salazar has, is for Premium VIPs, and the blue is for regular attendees.

You can see the blue tags on the regular attendees.

## Their Testimonies

Not long after the brothers entered, they met with some of the main persons they wanted to meet with, Mike Lindell and Steve Bannon. And they also met with others.
