

On the Personal Forms

By Richard Joseph Michael Ibranyi

The forms will be kept private

The Personal Information Forms you send me (to the Church,) will be kept private; that is, the 1) Personal Changeable Information, the 2) Personal Unchangeable Information, and the 3) Marital Status and Children form.

But some information will be made public on the St. John the Baptist Chat site so that members of the site will at least know some basic information. The information that will be made public is as follows: Name, Date of Birth, State and Country, an email address, a phone number, a current picture, and status (that is, of the Faithful, a Catechumen, or an Inquirerer). Other information can be shared by members if so desired.

How to Fill Out PDF Forms

To fill out a PDF form, you must access the PDF file from the PDF program and not from the Browser. To fill it out, you must click on the “Fill and Sign” function on the right side of the PDF document. When you click on it, you then go to the cell you want to put information in and double click, and it will let you put in your information. When done with one cell, just click on the next.

When done with the whole document, save it with the “save as” command. And keep the original name of the document, but add at the end your last and first name.

For example, “f3_personal_unchangeable_info_Ibranyi_Richard.pdf”.

You can send a photo of yourself attached to an email or post it on the Chat Site.

For the glory of God; in honor of the Blessed Virgin Mary, St. Michael, St. Joseph, Ss. Joachim and Anne, St. John the Baptist, the other angels and saints; and for the salvation of men
