Name: Dr. Edgardo B. Castro, NBCT
Position: Chief Academic and Federal Programs Officer
How long have you been in Sierra County? Since September 1, 2022!
Where are you from and how did you get here? Originally from the tropical climate, the Philippine Islands; I lived in Gallup, NM for approximately 7 years as a school principal for five years and 1.5 years as an assistant principal. Every time I drove by the T or C on my way to the NMSU for my in-person PhD classes, I always dreamed to be employed in the T or C school district and retire from this magical town.
What personal accomplishment are you most proud of? My soon to be 87-year-old Mom who taught me HOW to read and write, including the 3R's: respectful, responsible, and resourceful.

What do you love most about your job? Deciding what's best for each and ALL STUDENTS! It is the curriculum, instruction, and assessment that I love what I do, including writing a Federal Grants that enable ALL STUDENTS to be career and college ready.
Favorite thing you've learned about Sierra County? The Art Hop every second Saturday of the month.
Biggest challenge you face in our community? A good bread, a community bakery!
 The one thing everyone should know about you? I have a 14-year-old son who lives down under, New Zealand!

You're king of the world for 1 day, what do you do? I will travel the 195 countries of the world in 12 hours; the remaining 12 hours, I will spend six (6) hours volunteering in the homes of the aged, and the six (6) hours in the children's homes. I will read aloud stories to the young children (under 6 years old) during my volunteer hours. For 60 years and over, I will ask them qualitative interview questions. For instance, if there is one regret that you have in life, what would that be and why? What are the top three things you would give advice to the young people today? What is at the top of your bucket list? I'd like to visit the Maldives!

Favorite diversion? It has to be the hot spring of the T or C (the reason why I moved to this town) and, of course, cooking, reading, and writing.

Red or Green? Both, but I prefer green by 5% Pies or Cakes? Pies, please.

Ketchup or Mustard? Ketchup.

Chocolate or Vanilla? Dark chocolate, please. Sunset or Sunrise? Both, but sunrise won by 10% for me.

HEY AMERICA! MAYDAY. MAYDAY-MAYDAY!

PART 42
 3,120 plus Counties/Sheriffs must use 'Lethal Force' to stop every county border combatant overrun-invasion with 'deputized-posse-comitatus-power-honorably-discharged-combat-ve-terans!' Retroactive Civil-Criminal-Forfeitures to arrest/seize 'all' illegal-alien-passengers on the buses, impound 'all' the buses, and NGOs corporate assets for human trafficking. Also withdraw-impound property taxes going to Woke-Public-Schools!

We the People must implement a ten-year moratorium on 'all' legal and illegal emigration-migration-immigration! The U.S. Government and fifty-states have betrayed - We the Sovereign People!

No sane government has open borders! We are experiencing "Total Betrayal!" The perjured oaths and no proper oaths flood the federal and state offices! Evidence(s) of the lack of care, diligence and respect these traitorous people have for the US and its laws revealed.

FOIA requests and extra-constitution-actions prove - top cabinet officials and secretaries in the crooked-Biden administration lack valid U.S.C. Title 5 Section Oaths of Office! Read again! 'All federal orders are unlawful orders!'

This means "Secretaries of Defense, State, Treasury, Energy, Transportation, Education, HHS, DHS, USDA, FBI, CIA, IRS, USFS, FDA, CDC, CBP, EPA, ATF, NSA, DIA, DOJ, FTC, NIAID, Interior, and Labor, plus VPOTUS Harris and others 'all' are not legal office holders because of this!"

Their 'actionable high crimes' and void-decisions from day-one, including but not limited to those made during the COVID-19 pandemic, open border, closed/stopped energy pipelines, lockdowns, church closures, small

business closures, Afghanistan surrender of \$86 billion weapons may be legally void nullities ab initio (from the beginning).

The invasion must not stand! These are Not Refugees NOT ONE! WWII General Patton commanded a 300,000 army. 300,000 illegal aliens - men of military age caught and missed 'per month for 24 months' are an alien army within our borders! We must remove-deport 'all' 300,000 Chinese students in colleges too! All trade with belligerent China and Mexico must cease and their assets seized! They're neither good trading partners nor a good neighbor respectively.

The Mexican-cartels have united to bring sabotage, mass killings, fentanyl poisonings, violence, infrastructure fires, train derailments, water poisoning, power outages, full spectrum chaos, hatred among Americans', et cetera! Venezuela is giving false paperwork to Iranians!

More to come

THOUGHTS ABOUT THE SCHOOLBOARD MEETING

Regarding the recent school board meeting, the majority of those who spoke were adamantly against the chosen curriculum because the text introduced alternative sexual lifestyles that were considered by those in opposition as inappropriate and unnecessary; further stating it was the responsibility and duty of the parents and/or grandparents to teach sexual matters to their offspring, not the school's.

Senator Crystal Diamond also addressed the board and informed them that input from parents was necessary before any curriculum was to be adopted, and that no specific curriculum was mandated - it was the choice of the board, but must include input from the parents.

Perhaps the board did not receive enough input from the automated phone calls; or, from information provided on a web-

site [a challenge to those who don't have the internet or a computer]; or, perhaps, the appeals in our local newspaper [sandwiched somewhere in the announcements and legal notices] were overlooked. Whatever the reasons, the parents were not silent at the meeting. I understand that the School Board President Christine LaFont; Vice President Dr. Barbara Pearlman; and Member Mark Hedge moved to approve the curriculum.

Why not consider other curriculum, while working with the parents/grandparents of T-or-C, instead of dismissing them? - I must side with Secretary Jamie Sweeney, and Member Julianne Stroup, who opposed this motion. I believe such matters must be left in the loving, caring, and capable hands of the children's parents/grandparents.

THE YOUTH ARE NOT IN DANGER

NOTICE: Your children are NOT in danger from their teach-

ers or the new school curriculum. They are in danger of being denied the truth about the world they have inherited and the future they face.

Lets not let bigotry and lies fracture our community.

BANNING THE BIBLE AND CHRISTIANITY

A Letter to the Editor from a woman in the last edition would have the Bible and Christianity banned in the public forum. But she sure wants the lefty liberal and otherwise anti-Christian agenda pushed in the public forum. The freaks have taken over the public forum. She is not alone. Most governments, companies, major media, and political parties (including most Republicans) have already done so. Read a quote in public from the Bible they do not like, or profess Christianity, and you either lose your business, are kicked out of the party or job or suspended until you amend your ways, or you are fined or imprisoned by the government. These, indeed, are the dark days of the Antichrist, who is soon to leave the shadows and come into full visible power.

The women in last week's letter said, "This specific opinion piece condemned and vilified transgendered, gay, and lesbian individuals, asserting they were destined for damnation" That is a lie. I said they are in a state of damnation, but they are not destined to hell unless they choose to be. I called them to conversion at the end: "For the love of God and

the sake of your souls, repent and convert before it is too late." If I did not love them, I would lie to them and tell them that God is pleased with them and they are on the road to heaven.

She also said the Bible and Christianity are hate speech. Well, that is hate speech against the Bible and Christianity. You cannot have it both ways, either you love God and holiness and hate Satan and sin, or you hate God and holiness and love Satan and sin. The Prophet Isaiahs said it well regarding her and others like her: "Woe to you that call evil good and good evil; that put darkness for light and light for darkness."
