

Russia, China, and Iran Are a Lesser Evil than the West

Mr. X,

While you can believe the leaders in Russia, China, and Iran are greater evil than the Western leaders, an opinion I do not agree with, you cannot believe that the general masses of people in Russia, China, and Iran are more immoral, decadent, and corrupt than the general masses of the West. If you believe that, then you are blind to the facts before your eyes regarding the many people who have visited Russia, China, and Iran and said they are way less evil than the West. We are not now talking about the leaders but the general condition of the nations and the general masses. For example, there is less crime in Russia, China, and Iran than in the West, less drug addition, less favorable laws for LGBT, less feminism, and less wokeness. And they oppose apostate Israel way more than the USA (the Harlot) who many times is the only nation that vetoes bills against Israel's unjust treatment of the Palestinians. If it were not for the West, especially the USA, there would be no apostate Israel. The USA is the Harlot mentioned in the Book of the Apocalypse, Chapter 18. (See RJMI video [An Explanation of Apocalypse 18.](#))

The West allows open LGBT people to enter the military. Russia, China, and Iran do not. And the West, especially the USA explicitly promotes Satanism as a valid religion and in ads and shows in the multimedia; Russia, China, and Iran does not.

I agree that the leaders of Russia, China, and the West are working together for the apostate Jews to bring the Antichrist to power, although by different means and methods. Only some are more hell-bent in doing so and will resort to more evils than others. In this, the Western leaders are more hell-bent than Russia and China. And it is certain that the peoples of the West are more evil than the peoples of the East (of Russia, China, and Iran). If you do not believe that, then you are blind to the truth. You seem to be hell bent on making Russia, China, and Iran into the most evil nations in the world, which I believe will be the three nations that will throw off the yoke of the Antichrist! (See RJMI audio lecture [An Explanation of Apocalypse 16.](#))

The Devil is using you whether you know it or not to get me to back off somewhat on my condemnation of the West and paint the Russia, China, and Iran as the most evil of all. You yourself said the West deserves it because of its great evils. And great are those evils indeed. There is no more evil nation than a nominal Catholic nation, because it fell away from God. And second to that is apostate Israel, which also is a nation that fell away from God. The devil is now using you to get me to back me off on my opinion that Russia, China, and Iran (after they take Europe and the USA) will rebel against the Antichrist when he comes to full power. Do you actually think that the masses of the Russian people and, more so, of the Chinese and Iranian people will accept an apostate Jewish Antichrist as their master! But many in the West will, especially the rabid Christian Zionists and those who glorify apostate Judaism.

Also, no man is so set in his ways that he cannot change his opinions. Evil as Putin is, even he can change his opinions, whether he is a racial Jew (as you believe) or Freemason or not. For example, the apostate Jews said a time will come when many or all of the Freemasons will rebel against them and give them trouble and thus they will have to be killed and their society disbanded. So if you know a man who is a Freemason and he says something good, something true, about apostate Israel or morality, it does not always mean he is lying or deceiving. He could have sincerely changed his opinion. He may really believe this and does not agree with the Jew and even the Freemasons on this or that point. So when men make good points, we give them credit whether or not they are sincere or not. If they are not sincere and thus are deceiving, then they did good ignorantly and unwillingly: "If he do good, he doth it ignorantly, and unwillingly: and at the last he discovereth his wickedness." (Eccus. 14:7) But if they are sincere, then God

will grant them graces to convert. And whether their good point or deed was to deceive or was sincere, it is still a good point or deed that that public heard and thus will benefit the public, such as when Lula condemned Israel of committing genocide against the Palestinians. It does not matter if he meant it or not. All that matters is that he said it, it is true, and the general public heard it. That is what matters most. And you cannot know for sure if Lula said it to deceive or was sincere. Hence you cannot judge him to be insincere unless you have certain proof he did not mean it. Beware of rash judgments! "Speak not anything rashly." (Ectes. 5:1) "Before thou inquire, blame no man: and when thou hast inquired, reprove justly." (Eccus. 11:7) "Judge just judgments." (Jn. 7:24)

And just because we praised Lula's good statement does not mean we praise him as a person. We know he is evil. So, please, do not act as if we think he is good when we said many times that he is evil. There is no man that is so evil that he does not do or say some good things. And, as I said above, even if Lula was insincere, it still works to the good of the public. Remember St. Paul said there are some who preach the gospel with bad motives but he praises the fact that it is preached nevertheless:

"And many of the brethren in the Lord, growing confident by my bands, are much more bold to speak the word of God without fear. Some indeed even out of envy and contention; but some also for good will preach Christ. Some out of charity, knowing that I am set for the defence of the gospel. And some out of contention preach Christ not sincerely, supposing that they raise affliction to my bands. But what then? So that by all means, whether by occasion, or by truth, Christ be preached: in this also I rejoice, yea, and will rejoice." (Phili. 1:14-18)

Take the example of the USA in the early 1800s: While the Freemasons' goal was always to promote LGBT, one running for office would have to speak and work against LGBT or else he would never get elected because most of the people were against it. Now take a nominal Catholic who was not a Freemason and was running for office and he spoke and worked in favor of LGBT. Who wins a good Catholic's favor regarding this point, the nominal Catholic or the Freemason? He will favor the Freemason because he knows he will work against the LGBT agenda, even though he secretly wants to promote it. And he will not favor the nominal Catholic because you know he will work to promote the LGBT agenda.

Your teaching about Zionism is confused and incorrect when you say that Talmudic Jews really want Zionism to be destroyed; that is, Zionism as defined by most to mean total possession of Israel by apostate Jews. Hence if the Chabad and other Talmudic Jews secretly wanted to destroy Zionism, there would be no greater Israel for the Antichrist to reign in. Maybe you meant to say they will destroy non-Talmudic Zionists, such as atheist or agnostic Zionists, because they will never give their allegiance to the Antichrist. Only Talmudic Jews who believe in a personal Messiah will accept the Antichrist (such as orthodox Jews and other Talmudic Jews who believe in a personal Messiah). But not even all of them will accept the Antichrist, which brings me to my next point.

The Chabad Jews believe Israel must be occupied first before their Messiah comes, but the Neturei Karta Jews (also known as Satmar Jews) believe the Messiah must first come to power and then take over Israel. Hence these two groups will not accept the Messiah of the other group. There will always be divisions among them on this point. The opposition of the Neturei Karta Jews to the Chabad Jews is real and not pretended. Unless you have us believe all apostate Jews are monolithic. If you did, that would be heresy. There are many real divisions and differences among apostate Jews, just as there are among nominal Catholics.

Even though Chabad Jews and Neturei Karta Jews are bringing a different Antichrist to power by different means and methods, they are conservative on many moral issues; such as, they are pro-life, against contraception, against LGBT, against feminism, against illegal drugs, etc. In fact they are way more moral than nominal Catholics. Now here is the dilemma they are going to face when their Antichrist comes to power. He will be extremely immoral, as he is directly under the control of the Devil, and they will not accept his immorality. The reform and other non-orthodox Talmudic Jews will accept him. Hence

the Chabad Jews or Neturei Karta Jews will be stuck when they realize that they brought a monster to power. That is when us true Catholics, by God's grace, will convert many of them.

I do agree that Putin is working with apostate Jews and Freemasons to further their agenda of brining the Antichrist to power even though he may not be a racial Jew or Freemason. One way we know this is because he does not expose the 911 and Holocaust conspiracies and the fact that the Jews control the central banks. I said Putin is evil many times, so do not take me out of context when I say he did or said something good. But I believe there is more good will and potential to convert the Russian, Chinese, and Iranian leaders and people than those of the West. And percentage-wise there will be more good willed Christ-denying Jews who will convert than the nominal Christian Gentiles.

To his credit, Putin kicked out the secular oligarch Jews and put Russians in their place.¹ But he is still has some common causes he shares with the Chabad Jews. The main thing he has in common with them is his hatred of the Catholic Church, even the nominal Catholic Church, and hence he wants to destroy any vestige Catholicism if he can. Also, most of the people in modern day Russia are Czarist and will not accept another communist government, even though there are still some communists in Russia. It is possible the Antichrist will impose a form of communism on the Gentile Nations when he comes to power, but he and the other apostate Jews will not have this form of government. It will be a theocracy. The Gentiles will be their slaves.

So there are many twists and turns when considering all these things. So I end by saying that you must not be so obsessed with these conspiracies so as to not put the Catholic faith above all else. Until you do that, you will not be able to see clearly all the implication of the conspiracies. And even if you are a good Catholic and perfect in the faith, there are some things we will not know regarding conspiracies until they come to pass. I am not discouraging you to study and write about conspiracies, but to be careful not to become obsessed with it to the point of putting the study and learning of the Catholic faith second and be careful not to dive too deeply into them as to get lost and spend too much time on them. And be careful of rashly judging others who say good things about evil men, as if they believe the men are also good and not evil. Remember, every man before he converted was evil but did enough good things to earn him the grace of conversion.

To conclude, it is an obvious truth that can be known not only by the Catholic faith but also by the natural law alone that Russia, China, and Iran are a lesser evil than the West. If you do not believe that, then you would be guilty of the mortal sin of lying and as such cannot become a member of the Catholic Church in such a state.

Sincerely,

Richard Joseph Michael Ibranyi
