## CREATOR'S PRECISION! SATAN'S SUBVERSION!

Even with serpentine moronic distractions, chaos, confusion, corruption and lawlessness on earth our Creator let us know all the laws are in place perfectly operating our Solar System. If we will follow YHVH's Biblical love letter to humanity, starting with repentance; America's suicide destruction can end!

There are two statuses of mankind - redeemed or unredeemed! We redeemed are commanded to be light, salt, occupy and have dominion on earth. We're to exercise Roman's 13 upon evildoers. We've been captured as a nation! In circa January 2015 into 2018 I reported in this forum nearly 100 times the criminality of New Mexico's human trafficking, kidnapping, drugging, stealing estates and destruction of seniors such as Mary Jane Snell.

The only comfort I have is all tares involved by commission and omission in the destruction of my beloved Mary Jane is their destination to the Lake of Fire! I reported to you that federal and state government(s) wanted you baby-boomers' dead and to rob your property! You're not a living entity. You're a product - "In Rem." Hasn't all the assaults on faith, family and freedom convinced you I'm spot on?

All must stop following unlawful orders! Why are law enforcement aiding and abetting the invasion of the USA? Here's Notice to all under oath! Project Proper Oath; found that 'not a single member of Biden's existing cabinet' has a valid oath of office!

US Secretary of the Treasury, Janet Yellen, US Secretary of Defense, Lloyd Austin, US Attorney General, Merrick Garland, US Secretary of State, Antony Blinken, US Secretary of Homeland Security, Alejandro Mayorkas, US Secretary of Transportation, Pete Buttigieg, US Secretary of Health and Human Services, Xavier Becerra, US special counsel, Jack Smith, US Attorney for the District of Columbia, Matthew Graves, chief prosecutor of Jan-sixers, and Vice President of the United States, Kamala Harris, have no oath of office!

According to law, elected-appointed officials must swear an oath and within 30 days are required to have a signed and notarized copy of their oath of office. It appears as if no elected officials in the Federal government have one. Arrest them!

More to come!

## THE RIGHT DRIVER

The issues that we have created over the last 15 years can be resolved. The reckless spending for illegal wars and the tax cuts for the wealthy-class have put an enormous burden on the middle class.

The war on the economy has created economic decline. Bad management has created tremendous inflation. Inflation has caused cutbacks in quality of products and services.

These cutbacks have caused a decline in employment, construction, and the quality of education. We have to do away with 'me first' and 'me only' attitude so that we can work as a team again.

We have to learn that a good team and driver can move an enormous load. The poor driver does not know how to work his team and the load does not move very far, and the team members get discouraged or quit.

On November 5 we must elect the best driver to get ourselves and our neighbors working constructively together to overcome the disastrous condition we are in today. We have to pull together to save our bankrupt communities and families.

Yours truly,

## THE HARLOT BRINGS THE BEAST TO POWER

The Harlot, mentioned in Apocalypse 18, is the most powerful nation in the world that brings the Beast, the Antichrist, to power. And the Harlot is the major corruptor of the world.

The Antichrist is a Talmudic Jew who will rule the world from apostate Israel in Jerusalem in the Third Temple. The Antichrist will then destroy the Harlot when he no longer needs her. It does not take a genius to figure out what the most powerful and influential nation in the world is since the end of World War II. Uh, the United States (I mean States) of America.

Apocalypse 13:13 tells us the event that puts the whole world in fear of the Harlot and thus cemented her domination over the world: "And he [USA] did great signs so that he made also fire to come down from heaven unto the earth in the sight of men." (Apoc. 13:13) This occurred when the USA dropped two atomic bombs on Japan in 1945.

The worldwide power of the USA enabled it to glorify and promote apostate Israel, by force if necessary, and thus eventually to bring the beast's kingdom to worldwide power when the final Antichrist and apostate Israel rule the world: "And he [USA] seduced them that dwell on the earth for the signs, which were given him to do in the sight of the beast [apostate Israel], saying to them that dwell on the earth, that they should make the image of the beast [apostate Israel], which had the wound by the sword [in AD 70 when the Second Temple fell], and lived [since it was created in 1948]." (Apoc. 13:14)

Not only does the Harlot give physical life to apostate Israel, but it kills either physically, economically, or by imprisonment anyone who does not adore apostate Israel: "And it was given him [the USA] to give life to the image of the beast [apostate Israel], and that the image of the beast should speak [upon the creation of the State of Israel in 1948]; and should cause, that whosoever will not adore the image of the beast should be slain. And he shall make all, both little and great, rich and poor, freemen and bondmen, to have a character in their right hand, or on their foreheads. And that no man might buy or sell, but he that hath the character, or the name of the beast, or the number of his name." (Apoc. 13:15-17)

The Beast, with the help of the Harlot, has almost total control over the world, especially the West. Just speak a word against the apostate Jews or the Holocaust or, even worse, against apostate Israel (such as by condemning Zionism), and see how fast you lose your job, friends, and other things. Almost the whole

world, especially the West, is in "fear of the Jews." (Jn. 7:13)

Lastly, the apostate Jews could not come to power without the Freemasons, which they control. Hence they use the Gentile Freemasons to do much of their dirty work while the Jew, for the most part, hides in the shadows. But he is now coming out more and more into the open. Well, the USA is the utopia and ultimate goal of the Freemasons. And the apostate Jewish Zionists also use the Christian Zionists in the same way. And when their Antichrist comes to power, he will destroy not only the USA but also all the Freemasons and Christian Zionists because he will no longer need them.

### PART 3

Get ready to uncover the secrets behind the weekly clues, challenging you to figure out where I am as I explore the enchanting corners of Sierra County, New Mexico. A clue will be released weekly until the final location is revealed at the end of the month! Where Am I? Part 3 of 4.

Imagine the following as you read along: Hmm... what will it be? Will it be from the wild or from the garden this time? Just as you are easing towards a decision, the owner emerges from the kitchen with two gorgeous plates of food. In his left hand, he is carrying a plate of blackened mahi-mahi covered with a tropical fruit relish and a side of mixed veggies. In his right, a gorgeous heap of chicken pesto alfredo.

After the owner snaps a few photographs of the specials, he sets both plates in front of you. Wow, you really ended up in the right place at the right time! This is truly some of the best chicken pesto alfredo you have ever had in your life! Yum! You hope that it appears on the specials menu again sooner rather than later.

And the mahi-mahi? It is not often that you order seafood, but this restaurant will quickly have you changing your tune.

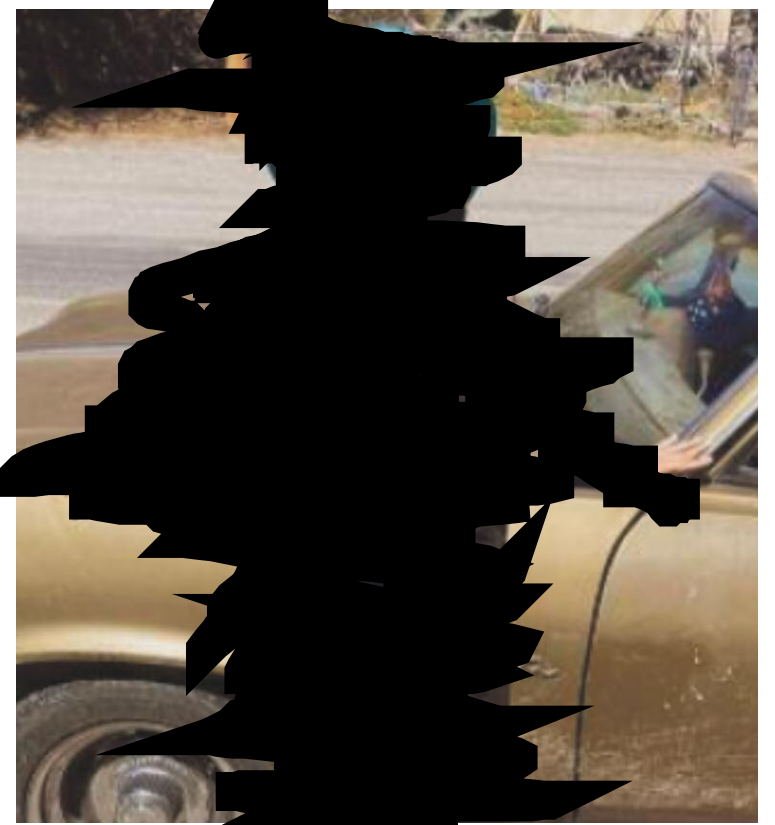

Just as you finish eating, an elderly couple comes in and orders two servings of the mahi-mahi. More folks trickle in and the tables begin to fill up as you approach the counter to pay. You are glad to see that this place is staying busy.

Every time you come here the food is good and the service goes above and beyond. You are so thankful that this place opened! But you have to admit that if they started opening on Mondays, you would be extremely grateful!

Where Am I? Get the next issue to discover the answer!
