

Mary's Little Remnant's Message for Pride Month 2026

**“Pride goeth before the destruction, and the spirit is lifted up before the fall.”
Proverbs 16:18**

The LGBT community is about to shove its filthy, sinful lifestyle into our faces again, and thus try to corrupt the citizens, especially the children. Remember, God destroyed Sodom for these sins. And St. Paul says that they are worthy of death if they do not repent: “For their women have changed the natural use into that use which is against nature. And, in like manner, the men also, leaving the natural use of the women have burned in their lusts one towards another, men with men working that which is filthy, and receiving in themselves the recompense which was due to their error... They who do such things are worthy of death; and not only they that do them, but they also that consent to them that do them.” (Rom. 1:26-27, 32)

If you care about our community and know that LGBT is an abomination to God and against the natural law, you must rise up and condemn them and protest against them in any way possible. If not, their satanic influence will only grow more and more. And you will be guilty of sins of omission before God. And you would have no right to complain if your children become homos or transgenders.

There can be no unity on this topic, one will win and the other will be suppressed. The LGBT agenda has already won. They control the Main Square and multimedia, even most if not all of the local newspapers. They not only want us to tolerate their sinful ways but to accept and promote it. Just look at the professional sport teams that are forced to promote LGBT. And most of the players do. Woe to them! And the ones who do not are punished. But don't dare try to make them promote messages that condemn the LGBT lifestyle and presents God's Word that condemns it.

Let this also be a warning to the homos and transgenders. Repent before it is too late. God still loves you but hates your sins. But you hate God and his commandments and instead love Satan and sin. That is the source of your perverse love. Jesus says if you do not keep all of God's commandments, you do not really love God: “He that loveth me not keepeth not my words.” (Jn. 14:24) And Jesus said, “If thou wilt enter into life, keep the commandments.” (Mt. 19:17) Hence if you do not repent, you will end up in hell where there is no love but everlasting despair and pain.
