

How to Obtain the Works on the St. John the Baptist Website

3-4-2023

I do not yet have the capacity to produce a large quantity of my works: articles, books, videos, and audios. For example, if I got an order for 100 books and 100 videos, it would take up all my time and my equipment is not professional quality and thus the printing and binding and burning and copying time for each item is slow compared to professional equipment, such as a printing press and professional burners for videos and copiers for audios. Therefore, I removed the catalog.

If you want my works, you can download them for free and print out and bind my written works, burn out my videos, or copy my audios.

And I can send you an external hard drive with the entire site on it as it appears Online. You would only have to pay for the cost of the hard drive and shipping. But if I get too many of these orders, I will not be able to handle it. Hence, again, you can copy my whole site as it is if you know how to do so.
