

William Norris' Address to the T or C School Board Meeting (5/8/2023)

I would like to start out by quoting our very own Dr. Barbara Pearlmén. Regarding disastrous or unjust things, she said, "If we forget history, we are doomed to repeat it." Well, that statement is true, provided the history is true as well as its interpretation. As the saying goes, "History is in the eyes of the beholder." The ultimate judge of true history and its true meaning is the one true God, the Catholic God, not men.

But even if you do not believe in God, true history tells us what happens to societies that fall into massive sins of homosexuality, transgenderism, and other sexual perversions. They eventually get destroyed from within and then from without, such as the pagan Greek and pagan Roman Empires.

For those who profess to believe in God and the Bible, if they are to be honest, know what God says about homosexuals, transgenders, and other sexual perverts and how he punishes them. Who does not know about Sodom and Gomorrah and what God did to those cities because of their massive sins of homosexuality! How is that for a piece of true history! Surely, if this not included in your history curriculum, then you are doomed to repeat it?

Worse sins are committed today than in Sodom. The Prophet Jeremias, as if speaking for today, says, "The iniquity of the daughter of my people is made greater than the sin of Sodom, which was overthrown in a moment." (Lamentations 4:6)

Lastly, the Bible says that all who commit homosexual sins and those who support or condone them are worthy of the death penalty; and if they do not repent, they will go to the deepest pits in hell. St. Paul says,

"For this cause God delivered them up to shameful affections. For their women have changed the natural use into that use which is against nature. And, in like manner, the men also, leaving the natural use of the women have burned in their lusts one towards another, men with men working that which is filthy and receiving in themselves the recompense which was due to their error... They who do such things, are worthy of death; and not only they that do them, but they also that consent to them that do them." (Rom. 1:26-27, 32)

And St. Jude says, "As Sodom and Gomorrah ...having given themselves to fornication and going after other flesh were made an example, suffering the punishment of everlasting fire, in like manner these men also defile the flesh and despise dominion, and blaspheme majesty... These are...unfruitful, twice dead, plucked up by the roots, raging waves of the sea, foaming out their own confusion; wandering stars, to whom the storm of darkness is reserved for ever." (Jude 1:7-8, 12-13)

The curriculum also contains radical feminism, Marxism, and CRT, all of which are also diabolical.

Consequently, all who vote "yes" for this diabolical curriculum are helping to destroy the souls of children, helping to destroy this country, and, according to God, are worthy of death and the deepest pits of hell. God will not be mocked. Be warned to those who vote yes, we will vote you out of office.
