William to Rebecca about the School Board Meeting and the diabolical curriculum (5-3-2023)

Hello Rebecca,

I am writing this email to let you know that there is going to be a School Board meeting this Monday May 8th at 5:30pm and you need to be there. The Board will be deciding if a horrible new curriculum will be implemented. It promotes perversions such as Homosexuality and Transgenderism throughout all the grade levels. I have reviewed the kindergarten and 2nd Grade materials and it highlights things like LGBTQ friendly classrooms. Rebecca, it was an act of God that prevented the vote from passing these books on 4/26/23. The vote was going to go 3-2 in favor of approving the new curriculum but miraculously Barbara Pearlman, who was on a zoom call, was knocked off the internet which allowed for the vote to fail and to carry over to this meeting.

Rebecca, being that you are an educator and you ran on improving New Mexico's education system as one of your main issues when you ran for Governor you know how important a good curriculum is for the formation of a child. Subjects like LGBTQ and Transgenderism should be totally forbidden from any classroom no matter what grade level. Rebecca, anyone who truly fears God knows that they could never promote homosexuality in a society let alone a school curriculum.

I know that Republican Party allows homosexuality and that John Block is a Republican and a homosexual. The big line you hear today from the Republican Party is that you can be both a homosexual and Conservative. "I have gay friends but they are so conservative." It's like saying I know murderers but they are such good people. What an Oxymoron! The two ends shall never meet. Sodomy and homosexuality is against the natural law. Period!

Then the other line you hear in the party is: "I agree, teaching homosexuality to young people is no good but once they get older they can decide for themselves and that's OK." Again, it's like saying: we won't teach people how to commit murder when they are young but once they become an adult we'll show them all the different ways to murder people.

Allowing homosexuality is a grievous error in judgment by the Republican Party because we claim to be conservative and this sends a horrible message to conservatives that try to live out the natural law in their life. I realize that even President Trump and Kari Lake are guilty of putting homosexuals in a good light when they hosted 500 of them down in Mara Lago after the "Respect for Marriage Act" passed. Even though I am a Trump supporter, he is dead wrong on this issue. I recently wrote Steve Pearce an email and told him that the Republican Party of NM must condemn homosexuality.

I've noticed that Republicans try to separate transgenderism from Homosexuality. They try to say that somehow homosexuality is good and transgenderism is bad. NONSENSE! These actions are

brothers of the same unnatural perverse nature and are totally forbidden by God!

As a daughter of a Pastor, you know exactly what the Bible teaches when it comes to homosexuality.

“Thou shalt not lie with mankind as with womankind, because it is an abomination.” (Lev. 18:22)

“If any one lie with a man as with a woman, both have committed an abomination, let them be put to death: their blood be upon them.” (Lev. 20:13)

Romans 1:26-27: “For this cause God delivered them up to shameful affections. For their women have changed the natural use into that use which is against nature. And, in like manner, the men also, leaving the natural use of the women, have burned in their lusts one towards another, men with men working that which is filthy...”

St. Paul says not only those who do the act are worthy of death but also those who don't condemn the act as well.

“Who, having known the justice of God, did not understand that they who do such things, are worthy of death; and not only they that do them, **but they also that consent to them that do them.**” (Rom. 1:32)

Let me say that I will be very disappointed if you do not show up. It's time to take a stand against this perversion in all education grade levels and in all of society.

Lastly, here is what the true conservative mindset is when it comes to the issue of homosexuality. This is a short clip of what Richard Nixon thought about Homosexuality.

Hope to see you this Monday.

Last minute appeal by William to Rebecca (5-7-2023)

William contacted Rebecca again regarding this matter. This is the texts that took place between William and Rebecca on 5-7-2023, the day before the School Board meeting and vote.

5-7-2023

WN: Rebecca, are you coming to the school board meeting tomorrow night?

RD: I'm speaking in Roswell at their GOP meeting. Tuesday night in Ruidoso's.

WN: Ok thx

WN: Rebecca, where do you stand on this new diabolical curriculum? You've been silent up until now.

RD: I haven't been silent. You must not watch my Facebook page. I'm totally against the revised social studies standards that PED is shoving down everyone's throats.

WN: That's not good enough. You need to publicly condemn this new diabolical curriculum so everyone knows where you stand regarding it. If you do not you will be exposed as a RINO and thus not as a true conservative. You may as well join the Democratic party. If you want to, you can send me your statement by email and I will have it read before the board tomorrow. There's going to be a lot of Pastors there.

RD: I've helped draft three comments for others. Thanks for the offer. I have the same position as when we met a Johnny Bs. You don't get to define me. I wrote the bill to ban CRT. I've posted many times on Facebook. Traveling the state to oppose this. Equipment elected officials with the truth and more. I'm speaking at three GOP meetings this week and cover this Topic every single time. The premise that the only efforts that counts is the effort you see and approve is wrong.

WN: It is clear that you are not going to condemn this diabolical curriculum and thus your silence in this very important matter condemns you. It does not matter what you have said in the past if you do not back it up by action regarding this curriculum, which is sexually molesting children. It is spiritual pedophilia. In God's eyes, you would be a pedophile if you do not publically condemn this curriculum. Obviously you do not fear God. You love men more than God. You have been warned.

RD: I already have and am. Many times. I haven't been silent. You're just wrong.

WN: I did not hear the word curriculum in your last response.

Ah, what a slippery slimy snake. Note very carefully that while Rebecca condemns revised curriculums in general and CRT specifically, she did not specifically and explicitly condemn the perverse sexual content in this specific diabolical curriculum.

Rebecca did not send a representative nor a statement to the meeting (5-8-2023)

Rebecca did not send a representative to the meeting nor have a statement read for her condemning the diabolical curriculum. Hence she spit in the face of her conservative constituents, whom she is supposed to represent, and she sided with the lefty liberals by her silence. This was a most important matter because it involves the sexualization of children in all the public schools in Sierra County with homosexuality, transgenderism, and same sex so-called marriages.

William again sends the evidence to Rebecca and asks her to condemn the sexual content (5-11-2023)

The Sierra County Republican Party was having a meeting on Monday, 5-13-2023, in which Rebecca was going to be the main speaker. Hence, William was going to confront her at the meeting by asking her if she condemns the sexual perversity in the proposed school curriculum. But before he did, he sent her the following warning.

5-11-2023

Rebecca Dow,

As per our last conversation, you refused to condemn the proposed school curriculum. Just in case you did not read the evidence or see the response of most of your constituents in Sierra County and what they thought about it, here is the evidence and video of the meeting. If you do not publicly condemn this curriculum as sexual perversion of children, then I will condemn you as a spiritual pedophile and as a RINO and tell Republicans to vote you out of office, as you would be more comfortable with democrats and lefty liberals.

William confronts Rebecca at the Sierra County Republican Meeting (5-13-2023)

There was a conspiracy among Republican leaders (all RINOs) to silence William's public opposition to the sexual content in the curriculum, especially his questioning Republican officeholders about their stance regarding this matter. The reasons and persons involved will be given in another article which will be titled, *The RINOs Have Taken Over the Republican Party*. Hence at the beginning of the meeting, an announcement was made that no one was to record the meeting. This was a violation of the law because the law allows public meetings to be recorded. After all, what do they have to hide? So much for transparency! William knew the reason why: Rebecca did want her stance regarding this most important matter to go in the public record because she does not want to lose the LGBTQ vote and offend her LGBTQ friends.

Well, a friend of ours. Ryan Gott, attended the meeting, and I told him to record it with a camera. And that is just what he tried to do in spite of the warning not to do so. As soon as William began to ask Rebecca a question, Ryan started to record. And Rebecca told Ryan to stop recording, and he was told to leave, kicked out of the meeting. But another person at the meeting recorded it with an audio recorder; and after the meeting, he gave it to William. Here is a transcript of the pertinent part regarding his question and Rebecca's answers:

WN: Rebecca, I have sent you proof condemning the K through 5 social studies curriculum a couple times; for the record do you condemn this diabolical curriculum in the sexual perversity it contains?

RD: If I had been a school board member and had the opportunity to vote, I would have voted no on all three curriculums. And I would have continued research on a curriculum that conveyed the parents' wishes.

WN: Do you say there is sexual perversity in there though?

Rebecca, then, promptly walked off the stage without answering William's question.

This following conversation was not recorded. After the meeting was adjourned and people were talking amongst one another, Rebecca saw William and came up to him and asked him about how he felt about recording the meeting after he was told not to. He ignored her, and asked her, "Is there sexual perversity in the K-5 Savvas Curriculum?" She said, "Of Course there is." He then asked, "Why didn't you say that?" She then pointed at him and said: "Because you don't get to define me," and then walked off.

Hence while Rebecca refused to publically condemn the sexual content when on stage, she condemned it privately when William confronted her when she was leaving the building. That is an act of a coward and a traitor to what the Republican Party used to stand for and a traitor to all of her socially conservative constituents regarding this most important matter of spiritual pedophilia, the raping of the souls of children.

Rebecca can condemn the sexualization of children privately all she wants or quote where she condemned it in the past, but when it came time to publicly act regarding this most important vote she remained publicly silent regarding the sexual content in it. If it were not for our opposition to it and other social conservatives, it would have passed for the Elementary School curriculum, although it did pass for the Middle School and High School curriculums. But at least the public is now aware of what is going on, no thanks to the RINO Rebecca, whose very position in the community requires her to be one of the leaders in matters of great and vital importance. She is not the only RINO officeholder who was guilty of this. There are others.

Now to make things even worse, the RINO and school board member Christine Lafont, who voted for the whole diabolical curriculum on 4/26/2023 and then voted for it only for the middle school and high school on 5/8/2023, was at the meeting and received praise and applause while William was vilified and asked by Julie Stroup, the head of the Republican Party in Sierra

County, to resign his office as Member at Large in the Sierra County Republican Party. William said, "Sorry Julie, I'm not resigning, since when is it illegal to talk about my faith in the Republican Party. Please show me the law." After the meeting William asked Julie Stroup, "When are you going to kick me out?", and she said, "I don't know yet." The Prophet Isaiah words come to mind: "Woe to you that call evil good, and good evil, that put darkness for light, and light for darkness." (Isa. 5:20) I will go into detail regarding this in a separate article titled, *The RINOs Have Taken Over the Republican Party*.

Rebecca is overly friendly with LGBTQ people and other lefty liberals

It is one small step to go from not condemning homosexuality or transgenderism to allowing these things to be taught to children. After all, if transgenderism or homosexuality is normal or, at least, neutral and thus not against natural law and a sin against God, then why not teach it to children. Indeed, you will see how Rebecca is overly friendly and sympathetic to the LGBTQ community. One reason is because she does not want to lose their votes. She should have become a Democrat, then, instead of a Republican.

She is very friendly with two publically professed and unashamed homosexuals who are Republicans: Corey Stevens and John Block.

Corey Stevens

Corey Stevens was Rebecca's Political Director when she was running for governor of New Mexico.

Here is a quote from his Facebook page:

John Block

Rebecca is also very friendly with John Block:

John lives with his boyfriend who dresses like a woman:

Wikipedia, John Block: “Block is openly gay. He lives in Alamogordo, NM with his boyfriend, Alamogordo City Commissioner Karl Melton. Block is a Christian. He is of Hispanic and Native American descent.”

How’s that for an oxymoron. He is a public and unashamed homo who thus presents homosexuality as normal and thus not a sin, yet has the audacity to say that he is a Christian in spite of the fact that he denies the dogma that homosexuality is a mortal sin and thus homosexuals are an abomination in the eyes of God.

He runs a pro-life website and thinks that is enough to qualify as a social conservative. He bans any homophobic remarks on his site. St. James says that whosoever commits even one mortal sin, it is as if he committed them all:

“And whosoever shall keep the whole law, but [then] offend in one point, is become guilty of all.” (Jam. 2:10)

Saying that a homo who is pro-life is a social conservative is like saying that a man who rapes women or murders people who is pro-life is a social conservative.

Rebecca shares a stage with drag queen Dr. Lynn Sally

Dr. Lynn Sally is a woman who, nevertheless, performs as a drag queen, which goes against the very definition of drag queen. It keeps getting weirder and weirder. Is she is a woman who wants to be a man so she can be a drag queen. Or is she a woman who wants to be a drag queen as a woman?

Here is how she describes herself:

A Different Kind of Coming Out, by Lynn Sally: “I started identifying as a female drag queen in the early ‘90s.... As it turns out, I was not the only person assigned female at birth who had dreams of becoming a drag queen.”

She is obsessed with drag queens and burlesque. Here is one of her books:

Neo-Burlesque: Striptease as Transformation, by Dr. Lynn Sally: “The neo-burlesque movement seeks to restore a sense of glamour, theatricality, and humor to striptease. Neo-burlesque performers strut their stuff in front of audiences that appreciate their playful brand of pro-sex, often gender-bending, feminism. Performance studies scholar and acclaimed burlesque artist Lynn Sally offers an inside look at the history, culture, and philosophy of New York’s neo-burlesque scene. Revealing how twenty-first century neo-burlesque is in constant dialogue with the classic burlesque of the nineteenth and twentieth centuries, she considers how today’s performers use camp to comment on preconceived notions of femininity. She also explores how the striptease performer directs the audience’s gaze, putting on layers of meaning while taking off layers of clothing. Through detailed profiles of iconic neo-burlesque performers such as Dita Von Teese, Dirty Martini, Julie Atlas Muz, and World Famous *BOB*, this book makes the case for understanding neo-burlesque as a new sexual revolution. Yet it also examines the broader community of “Pro-Am” performers who use neo-burlesque as a liberating vehicle for self-expression. Raising important questions about what feminism looks like, *Neo-Burlesque* celebrates a revolutionary performing art and participatory culture whose acts have political reverberations, both onstage and off.”

This is the woman whom Rebecca Dow shared a stage with on 12/11/2022 in which the performers told stories.

Sid Bryan

Sid Bryan, we call him El Sid, came to TorC about six months after I did. And I do not believe that was a coincidence. Since he moved here, he has transformed this town into an extreme lefty liberal town by his money and wealth. He owns a real estate company called Sea Properties ltd, and has bought up much of the land and homes in this area. That is how a town and area are taken over. Most of the shops in town are now owed by extreme lefty liberals. He and George Soros have a lot in common.

Well, Rebecca is overly friendly with this number one Democrat, financier, and liberalizer of TorC.

Now you know one reason Rebecca did not condemn the sexual content in the curriculum

Rebecca is more worried about offending her lefty liberal LGBTQ friends regarding their sexual perversions and losing their vote than offending her socially conservative friends and their opposition to it. That is one reason she did not *publically* condemn the sexual content in the curriculum. We will do our best to see that she never gets elected into any office again. But more importantly, it is God she should be afraid of, for he surely will severely punish her in this world and next everlastingly unless she repents and converts. God will not be mocked!

For the glory of God; in honor of the Blessed Virgin Mary, St. Michael, St. Joseph, Ss. Joachim and Anne, St. John the Baptist, the other angels and saints; and for the salvation of men
